How early should I arrive?

We recommend arriving at LEAST 20 minutes early to your session.

When sending out invitations let guests know to arrive 30 minutes before your booked session, this allows plenty of time for late arrivals.

Your booked time is your start time, we cannot delay or re-start the safety video in a harnessing session.

If you are late, we will get you into the next harnessing session, however your climb time will not be extended.

Food and Drinks

You are more than welcome to B.Y.O food, drinks, tables, and chairs. Whatever you may need to help you celebrate! 😊 Decorations are highly encouraged.

Please just keep in mind we will not be able to hold or store any of your items including cold food in our fridges or back rooms.

We have a beautiful location and cosy café where you can also purchase hot and cold food and drinks, as well as our own tables and chairs you are more than welcome to utilise.
